

Issue: August 2009

This table lists the latest agreed contributions from each church to the central Ministry & Mission fund for 2009.

Because of the format of the database from which the list was created, the church name is not always exactly as that given in the Synod Directory.

Churches are listed in numerical order by their ID number.

Church ID	Church Name	M&M 2009
9A01	BLANDFORD	15,504
